About the Opportunity

Jollytails Resort is currently recruiting new staff to join the team as Daycare and Boarding Attendants. Yes – you get to spend your entire shift with dogs while supervising play groups and boarding kennels! But this position is much more than just hanging out with dogs. We are looking for an individual who not only loves to be around dogs, but is hard-working, punctual and not afraid to get dirty. Because, let's face it – dogs can be messy! You should be comfortable handling dogs of all sizes and breeds and cleaning up dog waste and sometimes vomit. As a 24-hour staffed facility, you should be willing to work some overnights, as needed.

This is a full-time position

Detailed duties can include:

- Supervising dog play groups, assessing dogs for behavioural challenges and ensuring the safety of all dogs in the care of Jollytails Resort.
- Supervising overnight boarding, ensuring dogs are safe and comfortable in their overnight accommodations.
- Recognizing injuries or signs of medical distress and seeking proper veterinary treatment as necessary.
- Feeding dogs in daycare and boarding, paying close attention to dietary needs and special instructions.
- Cleaning up dog waste in the play areas and boarding kennels.
- Sanitizing play areas, kennels and public areas of the Resort.
- Updating pet parents on their dog's time spent at Jollytails Resort.
- Occasional storefront help: stocking, checking-out customers and clients.
- Dogs rarely mind the weather – and we don't either! You will be spending time both indoors and outdoors, year-round and should be comfortable being outside in all kinds of weather.
